Viking Video – Shield Battle

Dear Parents/ carers,

To support the creation of our upcoming Viking Video, linked to our history topic on the Vikings, we would like to kindly request that the Anglo-Saxon shields your children made during the autumn term are brought back into school.

These shields will be used in a battle scene within the production, which you will be able to enjoy on 16th April 2026 as per the production letter posted a few weeks ago. We are excited to celebrate the children's fantastic effort and creativity by showcasing their shield work proudly in the video.

Please ensure the shields are brought into school by **16th March 2026**, ready for whole-year-group filming later that week.

Thank you for your continued support in these projects!

Yours sincerely,

Miss Palmer
