26<sup>th</sup> February

Dear Parents/Carers,

As part of STEM week, which is the week beginning 9<sup>th</sup> March, the children in year 4 will complete a project using recyclable items.

In order for the project to be a success, please can you send your children in with materials for junk modelling: cardboard boxes, bubble wrap, tissue paper, egg boxes, straws, carrier bags, shredded paper, masking tape and anything else that might protect 'an astronaut' land safely back on Earth! The resources will be shared throughout year 4, so there is no need to name anything as it will be a collective resource.

Please can anything you have be brought in no later than **Monday 9<sup>th</sup> March**. If you have any questions, please speak to your child's class teacher.

The year 4 team
