Production of the Lion King - June 2026

Dear Parents/Carers,

I am excited to share that we are planning a production of Disney's The Lion King in June 2026. The production will be an opportunity for KS2 to show off their creativity and performance skills.

After Christmas, Production club will be listed as a sign-up club after school on Thursdays. If your child would like to take part in the production, they will need to sign up and attend the club from 3:20-4:15 every week. Commitment is incredibly important as we want children to be the very best they can be.

For any dancers who take part in Michelle's Dance Club (currently after school on a Thursday), Dance and Production Clubs will be working together and all children will be involved in the production. Therefore, if your child would like to dance in the production they need to sign up for Production Club as there will not be a separate KS2 Dance Club option.

I anticipate a high number of children will want to be involved in this exciting opportunity. Years 5 and 6 will take priority and both Michelle and myself will look at the list to make sure that a selection of dancers are selected.

By signing up to this club, your child is committing to performance dates on:

Thursday 11th June at 2.00pm
Tuesday 16th June at 6.00pm
Thursday 18th June at 6.00pm

Children will be taken out of lessons on the run up to performances in order to practise and run through the show.

Please look out for the club sign-up sheets after Christmas and I will be in touch with more information in the new year.

Kind regards,
Maddie Humphries,
Music Teacher
