Year 4 Multiplication Tables Check

Dear Parents/Carers,

As you are aware, children in Year 4 will be taking part in the Multiplication Tables Check (MTC) during the month of June. The test is administered by teachers in school on the iPads. There are 25 questions and children will have 6 seconds to answer each question.

Please find below a link that will allow your child to access a practice MTC website. There is no requirement to do this; however, the website simulates the actual test and allows children to practice under time pressure should they wish to.

[MTC Test - URBrainy](#)

Please also find a link to 'Hit the Button' which will allow children to practise a certain times table.

[Hit the Button - Quick fire maths practise for 6-11 year olds](#)

If you have any questions, please do not hesitate to contact me.

Kind regards,

Mrs Brooks
Year 4 leader
