## Reboot Scheme

Dear Parents & Carers,

Let's face it—kids grow fast, and sports gear doesn't come cheap! That's where the **Reboot Scheme** comes in, and we're thrilled to be getting involved here at **The Crescent School**.

### What is Reboot?

Reboot is a brilliant initiative launched by IDPE that gives **preloved sports kit a second chance** and helps more young people get involved in physical activity, no matter their background. Many children face barriers to participating in sports due to the cost of essential kit such as football boots, trainers, and shin pads. The Reboot Scheme is tackling this head-on by collecting **preloved sports equipment** and redistributing it to families through local pop-up shops – making sports more accessible for everyone, regardless of background.

Think of it like this: Your child's **outgrown football boots or unused trainers** could help another child **get on the pitch**, feel confident, and stay active. And in return, your donations help fund **free sports sessions, camps, and equipment** for local schools.

### How It Works:

- 1 - You donate:** football boots, trainers, kits, branded sportswear—anything in good condition.
- 2 - We collect & clean:** donated items go through a quick refresh.
- 3 - We give back:** gear is redistributed at pop-up shops (including one at your school fayre!) for a small donation, with all funds reinvested into the community.

### How You Can Help:

We're now proud to be a **Reboot donation hub!** Starting today, you'll find a donation bin right here at The Crescent in reception. Please drop off any sports items your family no longer needs—**big or small, it all makes a difference!**

Let's rally together as a school community and give old gear a **new game**. Because every child deserves the chance to play.

**Flynn Rowlands**  
Event and Fundraising Coordinator

### Reach for the Stars
