1st September 2023

Confirmation of School End Time and Locations

Dear Parents/Carers,

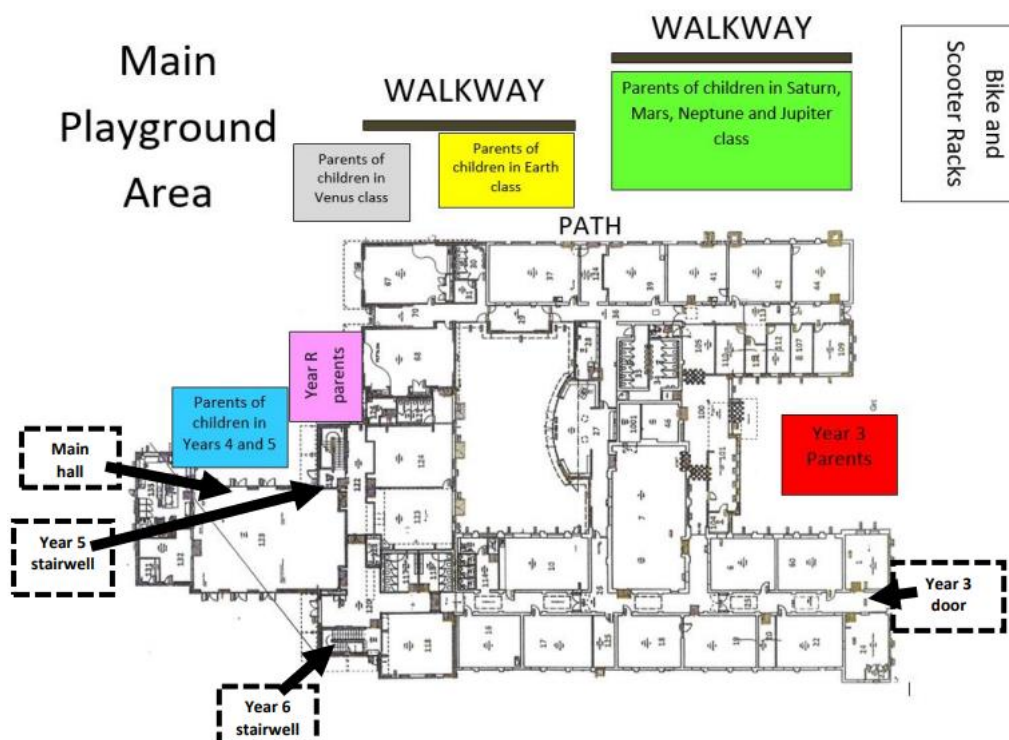

I hope that everyone had a lovely summer break.

I am writing to you to remind you that from Monday the school day will end at 3.25pm. For security, the gates will open at approximately 3.15pm.

On Monday, when the children return, they need to make their way to their new classrooms (I have provided a map below to help) There will be staff inside the school building to help guide any children who are not sure where to go!

Entering and exiting the school building

- Year R and KS1 children will enter and exit the school building via their classroom doors.
- Year 3 children will enter and exit the school building via the Year 3 corridor doors.
- Year 4/5 children will enter the building via the Year 5 stairwell doors and exit the building via the hall doors.
- Year 6 children will enter and exit the building via the Year 6 stairwell doors on the car park side of the school.

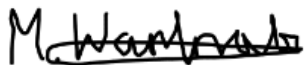

Please remind our new year 6 children that they **must** use the path alongside the car park and not use the road under the barrier when entering and exiting.

And a further reminder that the gates will open at 8.45am and children should be in class by 8.55am for morning registration.

I am really looking forward to seeing everyone and starting the new term in a positive way.

Yours Sincerely

Mr Wartnaby
Acting Headteacher
