23rd March 2026

Year 3

Romans Day

Dear Parents/Carers,

On **Monday 18th May**, as part of our Romans topic, Year 3 will be having a Romans Day. Children will participate in adult led workshops, where they will immerse themselves in the life of Romans in Britain. This will include looking at and investigating different Roman artefacts that we will be borrowing from the Hampshire History Department and Roman inspired artwork.

To make this experience more authentic, children are invited to come to school dressed as a Roman. This could be as simple as a large white t-shirt tied at the waist and a pair of sandals. If it is a cold day, please ensure that your child has something warm on underneath or a coat to go over the top of their costume.

Yours sincerely,

Mrs P Dulay
