Mondays and
Fridays.
Please ensure
children have
their kit in on
these days.

Year Six Newsletter Spring 2 2026

Welcome back to school. The children have settled in really well this week and have enjoyed seeing each other again. We are proud of their attitude so far and look forward to the topics ahead.

<p style="text-align: center;">English</p> <p>In English this term, we will be building on our theatre experience and using Macbeth as our text driver. The children will be describing the characters, setting and atmosphere and will also be writing an informative piece about a character.</p>	<p style="text-align: center;">Maths</p> <p>In Maths, we are continuing with our revision topics. We have covered fractions, decimals and percentages and will be focusing on applying our different knowledge to challenging maths questions.</p>	<p style="text-align: center;">History</p> <p>We will be continuing to learn about what was happening in Britain between the years 400CE to 1066CE and comparing with what was happening in the Ancient Islamic Empire during the same time period.</p>
<p style="text-align: center;">Geography</p> <p>The children will be exploring how land use impacts tourism in China as well as how tourism impacts the economy.</p>	<p style="text-align: center;">Science</p> <p>We will be continuing our electricity unit and learning about conductors and insulators. The children will be applying their knowledge by making a loop game and are very much looking forward to this!</p>	<p style="text-align: center;">PSHE</p> <p>In PSHE we will be focusing on healthy relationships, valuing difference and feelings and emotions. We will also be looking at stereotypes.</p>
<p style="text-align: center;">PE</p> <p>This term, we are focusing on ultimate frisbee on Fridays. We will also have PE on a Monday. Please ensure the children bring in their PE kits every week.</p>	<p style="text-align: center;">RE</p> <p>This term, we will be studying the Easter story.</p>	<p style="text-align: center;">Art</p> <p>We have enjoyed learning about Beatriz Milhaze and will plan and create our own art work in the style of our artist.</p>

As we approach SATs, arithmetic and reading homework will continue to be set and the children will be expected to complete 20 minutes of their revision guides. This is set on a Tuesday and is due in the following Monday.

Thank you for your continued support.
