## Pop Choir Eastleigh Light Switch On

Dear Parents/Carers,

On **Saturday 16<sup>th</sup> November**, as part of our community initiative, the choir has been invited to sing carols at Eastleigh Light Switch on. Being present in our community adds real enrichment to the curriculum for the children and we are delighted to have, once again, been invited to sing.

**We would love to see as many of our Pop Choir at the event.**

The choir will be singing underneath a Gazebo at Wells Place (outside Halifax) and we have been allotted the 1pm slot. The performance is due to last around 20 minutes and we would ask that you drop your child off and stay in the area so that you are ready to pick them up after the performance. In order to make sure that everyone arrives in time for the performance, we ask that you bring your child to us outside Café Nero at 12:45.

Children will be expected to wear warm clothes, coats and gloves may be needed at this time of year. Please feel free to come along in the festive spirit with Christmas jumpers, tinsel and hats. It may also be mindful to bring along an umbrella, just in case we cannot all huddle under the gazebo.

Please complete our online [form](#) to indicate whether your child can attend. This is a large event to organise and we would appreciate all responses by **Wednesday 6<sup>th</sup> November**. Please note: your child will not be able to participate if we haven't received your completed form by this date.

Please feel free to contact me if you have any further questions.

Kind regards

Maddie Humphries
