## Year 4 Multiplication Tables Check

Dear Parents/Carers,

In the month of June 2027, children in Year 4 will be taking part in the Multiplication Tables Check (MTC). The test is administered by teachers in school on the iPads. There are 25 questions and children will have 6 seconds to answer each question. Attached to this email is a leaflet with further information for parents/carers.

Please find below a link that will allow your child to access a practice MTC website. There is no requirement to do this; however, the website simulates the actual test and allows children to practice under time pressure should they wish to.

[MTC Test - URBrainy](#)

Please also find a link to 'Hit the Button' which will allow children to practise a certain times table.

[Hit the Button - Quick fire maths practise for 6-11 year olds](#)

If you have any questions, please do not hesitate to contact me.

Kind regards,

Miss Ashbolt  
Year 4 Lead
