Year 6 Standard Assessment Tests (SATs) Week 2026 Breakfast Club

Dear Parents/Carers

As you are aware, key stage two SATs tests are fast approaching. They will take place from **Monday 11th May until Thursday 14th May 2026**.

If your child does not wish to choose from the available options and would prefer to bring their own breakfast, has any allergies you would like to discuss, or is unable or does not wish to attend breakfast, please email the admin office to let us know. We would like to make SATs week exciting by providing a breakfast for all of the children in Year 6. We want to make sure the children have the best possible start to each day. We feel that being settled and calm at school, on time, and with a good breakfast inside them, will give the children that extra little boost in a busy week.

With this in mind, we will be providing breakfast for all Year 6 children, **from 8.15am on Monday, Tuesday, Wednesday and Thursday** for SATs week. There will be a selection of food (bacon bap, sausage bap, vegetarian sausage bap, cereal) available for children to choose from. There is an option for children wishing to bring their own breakfast items.

No charge will be made for children attending these special "SATs breakfasts". Children should use the footpath along the carpark and enter the school through the main hall doors.

In order to make the necessary catering arrangements, the children have told their class teachers what food they would like each day.

If your child does not wish to choose from the available options and would prefer to bring their own breakfast, has any allergies you would like to discuss, is unable to attend or does not wish to attend breakfast, please email the admin office to let us know.

Yours sincerely

Mrs S Burrough
Year 6 Lead
