Year 6 (current Year 5s) - Bikeability Training Monday 14th September- Friday 18th September 2026

Dear Parents/Carers,

We are pleased to inform you that when your child starts in Year 6 they will have the exciting opportunity to take part in **Bikeability training**. The sessions will take place daily from **Monday 14th September until Friday 18th September 2026**.

Bikeability is a national cycle training programme for Year 6 children that helps them develop confidence and essential cycling skills for riding safely on today's roads. We are fortunate to be able to offer this course free of charge and every child takes part each year, regardless of their current cycling ability.

As well as learning valuable life skills, Bikeability provides a fantastic opportunity for class bonding at the start of the new school year, with children supporting and encouraging one another throughout the course.

On each of these days, children will need to bring their **bikes and helmets** to school. Bikes may be stored on-site for the duration of the week, but please note that they are left **at the owner's risk**. Bikes will be kept in a designated outdoor area on the playground. While we cannot lock individual bikes, the school grounds are securely locked overnight. **If your child does not have a bike or helmet, please specify this on the consent form below.**

During the week, children should arrive at school dressed in their **Bikeability clothing and waterproofs**—outdoor PE kit is suitable—as the training will go ahead in all weather conditions.

Please also send your child with their **school uniform to change into**, in case they get wet or muddy. If they remain clean and dry, they may stay in their Bikeability clothing for the rest of the day.

You must fill out the consent form by following the link by 13th July 2026:

<https://consent.bikeability.org.uk/gray-mouth-might>

Please note: IF YOU DO NOT COMPLETE THE CONSENT FORM BY THE DATE SPECIFIED YOUR CHILD WILL NOT BE ABLE TO PARTICIPATE AS THE FORM GOES DIRECTLY TO THE BIKEABILITY TEAM.

If you have any questions, please ask your child's new year 6 teacher and they will be more than happy to answer any.

Thank you for your support.
